Mrs. Sarah Palin rnrnSarah I wish I knew of a better way of getting in contact with you and I know your busy having a whole state to run but, I was writing because I had a question to ask. I guess I'll start off by letting you know where im at with things, being in the Army as an lower enslisted man its hard to get things done, I've been looking in to a regulation we have called a 'compassionate reassignment (AR 614-100).' It stipulates under certian circumstances a soldier can request to move duty stations to help care for family in need. I know you have known my family for some time and I think of you all as friends and you know my mother is now taking care of all the girls by herself while trying to keep a job. I'm not asking for pity for my family or myself, I'm just asking if there is anything you could do to help me with my process of getting home to Alaska to help. My direct chain of comand (team, squad leader) have been trying there best to help with out causeing!

problems for them selves but, the fact is that my Unit is not really supporting me and trying to coax me to stay. I appreciate your time in reading this and any help you can offer.rnrn sincerely,rnPFC Morlock, Jeremyrn2/1 INF 5 SBCT
